TITHING PROSPECTS GOOD

John V. Bluth, Clerk of Weber Stake, Making His Annual Mid-Year Visit.

Stake Tithing Clerk John V. Bluth of Weber stake is making his annual mid-year visit to the twenty-six different wards in the Weber stake for the purpose of auditing the accounts and examining the records with a view of assisting in the carrying of the reports. Mr. Bluth reports that the crop outlook this year is decidedly bright, quite the opposite of what was in the corresponding month last year. Where the irrigation ditches were practically dry in 1905 there is an abundance of water this year. There is scarcely any report of injury to the crops from blight or other causes. About the only damage that has occurred this season was in the northern part of the county, where the wind has damaged some of the fruit.

Supplementing this report is the statement of William Craig, who is largely identified with the canning interests of the county, to the effect that the outlook for a good tomato crop this year is at the present exceptionally bright. The present weather is ideal for this crop, following as it does, the wet season which left the ground filled with moisture. Indications are that the sugar beet crop this year will also be large and a good fruit crop is already assured. New markets for Weber county fruit have been opened up. One of these has been found at Minneapolis, where a number of large shipments of cherries have been made.

PRIESTHOOD MEETING.

Prelude to Quarterly Conference in Ogden Tabernacle.

The regular quarterly priesthood meeting of the Weber stake was held in the Ogden tabernacle yesterday morning. The attendance was not as large as usual, on account of the advancing of the date to yesterday from July 25. This was made necessary on account of the remodeling work that will be necessary in the building of the new organ in the structure in which the meeting was held.

The theme used at yesterday's meeting was the need and value of church schools and the advisability of the people using their means to erect a new academy building. Those who spoke on this subject were Apostles D. O. McKay, George F. Richards and Ruder G. Clawson. The same trio will address the general conference of the stake, which will be held today at 10 and 2 o'clock. This evening at 7:30 o'clock there will be a joint meeting of the Young Men's and Young Ladies' Mutual Improvement associations.

SHORT STOP IN OGDEN.

Julius Kruttschnitt on His Way to Pacific Coast.

Julius Kruttschnitt, director of maintenance and operation for the Harriman system, arrived in Ogden yesterday forenoon upon his return from a trip to Idaho. He remains in Ogden for twenty minutes, or long enough to have the special train made up that carried him and the party accompanying him west over the Southern Pacific. Superintendent E. C. Manson joined the party at Ogden and accompanied them over the Salt Lake division.

During the brief stop here Mr. Kruttschnitt took occasion to say that the proposed improvements for Ogden, in addition to those that are now under way, would be made as soon as possible after those now being made were completed. He said that Ogden had a bright future before it as to railroad business and that he was pleased with the conditions he found here.

Slough a Nuisance.

An action will be filed in the district court tomorrow by Joseph H. Hellewell against C. W. Middleton, R. J. Middleton and Job Werner to procure an injunction against the maintaining of a slough which is claimed to be a nuisance and injurious to the public health. In addition to this \$50 is asked for if illness alleged to have been due to stagnant water passing through the water main.

Delayed by Wreck.

Owing to a freight wreck on the Sacramento division of the Southern Pacific some time Friday night all trains from the west after No. 6 yesterday morning were delayed about twelve hours. This included the Overland Limited and the special train carrying the Elks from Sacramento and Reno, who are on their way to Denver to attend the annual meeting of that body.

Accidental Death.

A verdict of accidental death was rendered by the coroner's jury which investigated the death of Lineman William Stacey, who was electrocuted by coming into contact with a live wire Thursday. The facts brought out at the inquest were about the same as have been published and the jury required but five minutes to arrive at their conclusions in the case.

Child is Injured.

The 2½-year-old son of Thomas Free of Barlow avenue yesterday tripped over a wire and fell, cutting a gash in his chin several inches long. The wound was inflicted by the boy's chin coming in contact with a drinking glass which he carried in his hand.

DISTRICT COURT BUSINESS

Matters Disposed of by Judge Howell Before Vacation.

Judge J. A. Howell disposed of the following matters in the district court yesterday:

In the matter of the estate of Martha J. Child, deceased. Court signs order and decree of distribution.

Hyrum Belnap vs. James G. Widdison. Plaintiff granted until Oct. 1 to file bill of exceptions.

Estate of A. Shansbach, deceased. The report of W. B. Patton, executor, was referred to David Mattson for auditing and report.

James vs. Ogden City. Defendant granted thirty days additional time to file bill of exceptions.

Woodfield vs. Baker. Courts hears arguments on proposed findings and decree and takes the matter under advisement.

Hollibaugh vs. Hoibaug. Hearing on citation argued and taken under advisement.

Stevens vs. Buchmiller. Twenty days additional time granted to plead to the amended answer.

Ellis vs. Ogden & Northwestern Railway company. Time extended to Sept. 1 in which to file and serve bill of exceptions.

In the matter of the estate of Alfred S. Butt, deceased. Petition for allowance of final account and order to pay inheritance tax, referred to David Mattson for auditing and report.

Estate of Lyman Skeen, jr. Petition for probate of will granted.

WEBER STAKE ACADEMY.

Proposed Addition Will Cost More Than the Original Figures.

The contract has been let for the excavating work in connection with the building of the new addition to the Weber Stake academy. It is now figured that the building will cost more than at first anticipated—between \$30,000 and \$40,000.

This will not prevent the carrying out of the original plans, however, as the management has decided that it will proceed with the building as planned, hold out, and when the money has been exhausted operations will be suspended until more can be raised. Contributions to the building fund will be solicited from individuals and through this channel it is expected that the entire amount will be secured in time.

The building may be completed within the prescribed time.

BEATEN AND ARRESTED.

Two Alleged Hold-ups Landed in Jail at Ogden.

George Gandy and Charles Gwynn, the two men arrested at Croxon, Sunday last, on the supposition that they were the persons who held up and robbed a man on the night previous, were brought to Ogden yesterday by Sheriff Robinson and lodged in the county jail on charges of highway robbery.

Both Gandy and Gwynn deny their guilt. The night of the holdup, Wedell, after telling a friend his experience with the robbers, went to a saloon where Gandy and Gwynn were and pointed them out as being the highwaymen. Without further hesitation he proceeded upon the supposed holdups and beat them unmercifully. The next day their arrest followed.

CUTS DOWN DAMAGES.

Judge Howell's Action in Railroad Damage Cases.

In the district court here yesterday Judge J. A. Howell handed down two important decisions upon cases which came before the court on motions for a new trial.

The first case was that of W. B. Call vs. the Utah Pacific, in which a verdict was given in the sum of \$10,000. In the order of the court a new trial would be granted on the application of the defendant unless the plaintiff in the case submitted to the railroad company \$2,000 of the amount secured within thirty days. In case this was done within the prescribed time the motion for a new trial would be denied.

The second action was similar, excepting that the amount of the verdict was \$15,000 and the court asks that \$5,000 be remitted.

Ogden Society.

A pretty wedding Wednesday afternoon was that of Miss Sadie Allsworth and D. Peterson, which took place at the home of the bride's sister, Mrs. Elliott Brown, at 2363 Jefferson avenue. DIABOLO LOOPS THE LOOP

Twice Today Free at the Salt Palace.

DARING CYCLIST WHO WILL APPEAR AT SALT PALACE FREE ALL THIS WEEK.

DIABOLO, the daring cyclist whose loop the loop performance has electrified the crowds at the Salt Palace for some time past, will give two free exhibitions at the popular resort today. The first will be at 3 in the afternoon and the second at 9 in the evening. An extra attraction in the evening will be a concert by Held's full military band, by far the biggest and best band in the west.

Diavolo will make his ride with death at a point midway between the dance hall and the palace, in full view of the crowds. The position was selected in order to give everyone who attends the fullest opportunity to view the hair-raising exhibition without obstruction. His loop is the only one of its kind in the world. It was made here in Salt Lake on his own plans and is conceded to be the most dangerous one ever constructed.

Not only this afternoon and evening, but all this week will Diavolo's exhibitions be free. The coolest and best resort in or about Salt Lake always succeeds in pleasing the public.

DROWNED IN BOISE RIVER

G. S. Barbeau Meets Death While Trying to Ford Stream.

Boise, July 14.—G. S. Barbeau was drowned in the Boise river this afternoon at about 3:30 o'clock, while attempting to ford the stream about 1,200 feet below the Barber dam. His body has not been found. When about mid-way in the stream the buggy tipped over, throwing him out, and also drowning the horse.

The unfortunate man came to Boise from Canada nearly two years ago, with Mr. Wilkinson, who had charge of building the Barber Lumber company's sawmill. He had charge of the boarding house at the mill until about three weeks ago, when the Barber company took charge of it, and he moved on to the company's ranch with his wife and little baby girl.

GETS BUNCH OF DELEGATES

Boise County Instructs for W. E. Borah for Senator.

(Special to The Herald.)

Boise, Ida., July 15.—The Republican county convention of Boise county was held today, a delegation being selected to attend the state convention. It adopted the following resolution:

"Resolved, That we earnestly favor the nomination of W. E. Borah for United States senator at the Pocatello convention, and instruct our delegates to use every honorable effort to secure such nomination."

No resolution on the governorship was adopted. It is thought the delegation will support Governor Gooding for re-nomination, but the same disposition exists to hold back on that point that is shown elsewhere.
